MCS Parents and Community,

Welcome to the 2017-2018 school year. Milpitas Christian School is celebrating **Forty-four years** of providing quality education for the whole child – heart, mind, body and soul. The school’s vision statement supplements our philosophy:

Vision Statement

Transforming lives for Christ through excellence in education, relationships and service.

We honor God by partnering with parents and churches to provide a well-rounded, excellent education with a biblical worldview. We prepare students for a lifetime of learning, service to their community, leadership and future success.

What makes Milpitas Christian School so special and different?

- Love and passion for students from quality and gifted faculty and staff.
- The only school in the Milpitas area with a dual accreditation – (1) **Western Association of Schools and Colleges** (WASC is also the seal for the California University system) and with (2) the **Association of Christian Schools International** (ACSI). - A community of caring and wonderful parents / families.
- STEM / STEAM program (Science Technology Engineering Arts and Math)
- Upon graduation, our students rank in the top 10% nationally academically.
- By the way, Milpitas Christian High School (MCHS) begins Fall of 2018.
